

Sustainability Now is a new event designed to showcase innovative materials, products and processing technologies to an audience of UK materials processors, brand owners, OEMs and Tier 2 industry professionals across a range of sectors.

 **17th September 2026**

 **Plastribution Office, Ashby de la Zouch, LE65 1NF**

Presentation Guidelines

- ✔ Presentations should be no longer than 20 minutes, which will include time for Q&A. Eg. 15 min presentation + 5 min Q&A.
- ✔ Presentations should focus only on innovative products or product lines that are available to customers in the UK and Ireland.
- ✔ If materials are referenced, they should be available through Plastribution's distribution channels.
- ✔ If you are submitting a slideshow presentation, it must be provided in Microsoft PowerPoint (.ppt or .pptx) format by 28th August 2026.
- ✔ Presentations should be in widescreen format (16:9 aspect ratio), and all fonts must be embedded. Plastribution cannot be held responsible for presentations that do not render correctly due to missing fonts.

Table Top Guidelines

- ✔ Sustainability Now! will also feature tabletop exhibition spaces, each comprising an approximately 2m-wide trestle table. Exhibitors are welcome to bring up to two roller banners, along with marketing materials and promotional giveaways.
- ✔ This provides an excellent opportunity to discuss your business in greater detail with attendees and to network with industry professionals.
- ✔ If you require power, please let us know. Plug sockets may not be guaranteed.
